

23 January 2010

Dear Mountain bike enthusiasts,

Welcome to another year of mountain biking with the Rockets. As you all know, we have had some challenges in 2009 and are hoping that in 2010 we can concentrate on mountain biking in the area. This year we have planned an ambitious schedule that will see the Rockets host two citizen 8 hour events, one club 4 hour solo, our regular SO-CO series, and much more.

We have been able to keep the fees the same this year, even though the OCA has raised the cost to belong to a club like ours. Please find enclosed a 2010 membership form. This form can be filled out and mailed to Bill Fenton, or you can also fill the form out online and PayPal your fees to the Rockets.

We would also like to order new jerseys this year at a cost of \$85.00. You can see the design of the new jersey at www.rocketmtb.ca. They will be of a high quality from Louis Garneau. We would like to offer a short sleeve version with 3 fit options, fitted, semi and women's. We are asking that renewals be returned by March 15, 2010 in order to supply jerseys by cycling season. You will need to pre-order your jersey as the club is unable to carry the cost of too many jerseys. If we are unable to meet the minimum by the middle of March all of your money will be returned ASAP.

We look forward to seeing you on the trails.
Thank you for your support.

Bill Fenton

Rocket

Mountain Bike Club

The Rockets are a non-profit (MTB) club based in southwestern Ontario, with members from Essex and Kent Counties and southern Michigan. Our organization is a member of the Ontario Cycling Association (OCA) and the International Mountain Biking Association (IMBA)

As a club, we host 4 SO-CO races, from spring until fall. We also hold two 8-hour relay citizen events. For the recreational rider we have picnics, fun rides, and training rides that many find enjoyable. If you are new to the wonderful world of mountain biking, we offer you the chance to get out riding with people of all skills and abilities.

[Become a member!](#)

The Rockets always welcome new members to our club. Every off road cyclist from the expert XC racer to the recreational Sunday rider will enjoy the many Rocket events throughout the year plus the many other benefits of a Rocket membership.
